What the Partnership Between ICOY and NIA Means for ICOY Members

NIA is committed to helping keep ICOY member organizations safe and protected while providing a stable and reliable source of insurance coverage.

Here are a few reasons why ICOY chose to partner with NIA to help its member organizations:

- **We know nonprofits:** NIA is the nation's leading property and casualty (P&C) insurer exclusively serving the 501(c)(3) nonprofit sector.
- **History:** We have 30+ years in providing coverages for foster care agencies, behavior health providers, residential youth facilities, homeless shelters, and afterschool programs like yours.
- **501(c)(3)s like you:** All NIA insurers are 501(c)(3) nonprofits, offering specialized coverages to address the risks that ICOY members face.
- **Stable pricing:** NIA offers stable, reliable pricing that helps ICOY members budget for insurance year-to-year.
- **Three-year rate guarantee:** Available for all ICOY members who have coverage with NIA
- **Specialized, innovative coverages:** NIA understands the unique needs of 501(c)(3) nonprofits. For example, we pioneered Improper Sexual Conduct and Physical Abuse Liability as a standalone policy — separate from Commercial General Liability coverage — before any other carrier. NIA is also the only insurer currently offering a sublimited communicable disease buy back for additional premium if a nonprofit thinks there is exposure.
- **Free risk management consulting:** To help prevent disruptive claims, we offer free, unlimited risk management consulting to organizations that have coverage with NIA. Our resources include information specifically designed for youth-serving organizations to help you better understand and address risks.

A Responsible Insurer

All companies in Nonprofits Insurance Alliance are rated A (Excellent) by AM Best.

Claims Approach

ICOY's partnership with NIA will also include meeting with NIA claims teams for larger ICOY members. No matter what size of your organization, NIA's claims approach is to always look for ways to cover claims within our policies not for ways to decline them. If liability is clear when a claim is presented, we pay the claim promptly. If liability is uncertain, we will thoroughly investigate and resolve the claim in a manner that is both conscientious and practical. We take very seriously the trust nonprofits place in us to protect them.

NIA Resources

NIA is a community of nonprofits, which is to say we're in more than insurance together: When you purchase insurance from NIA, you become eligible to benefit from free and/or discounted risk management resources:

- Free educational webinars on essential topics like employment risks
- Free tools to streamline board governance activities
- Free abuse prevention resources
- Free risk management consulting
- Discounted screening services
