A MESSAGE FROM THE PRESIDENT

During 1997 membership grew by 351 new members to 1,674. We are particularly pleased that 93 percent of our members renewed with us this year. We extend special appreciation to the 615 members who have been with NIAC for five or more years. Our net income of $766,671 was stronger than expected given the remaining tax issues for 1997. Written premium of $11,598,848 is an increase of 12.5 percent over 1996.

In 1997 we expanded our educational resources by publishing booklets about hosting safer special events and key facts about directors and officers liability and insurance. We distributed one copy of each booklet free of charge to members and offered to supply additional copies. The response was a bit overwhelming! We have distributed 14,000 booklets and requests are still coming in. We learned the power of nonprofit networking when, without any advertising, we received requests for these publications from more than 40 states!

During 1997 we settled an unexpected demand from the California Franchise Tax Board. It is a complicated story, but I will keep it simple. As a step in the process to gain federal tax exemption, NIAC challenged the federal law in an appeal to the federal Claims Court. That court's decision was not favorable to NIAC's position, but it motivated Congress to change the law to enable NIAC to achieve federal 501(c)(3) tax exemption. Based on some of the material in the Claims Court decision, however, the Franchise Tax Board reexamined NIAC's state exemption and threatened to revoke it.

NIAC and its legal counsel strongly disputed the right of the Franchise Tax Board to change the exemption which had been in place since 1991. We concluded that their claim was without merit because of the differences in federal and state law. However, to avoid a prolonged and costly legal battle, NIAC's board of directors reluctantly agreed to settle this last tax litigation with a one-time payment to the state. Federal and state legislation was passed in 1996 clarifying that NIAC is tax-exempt. All of these tax matters are, thankfully, behind us.

NIAC's mission is simple: to make the insurance purchase painless and predictable and to provide members with resources to keep insurance costs down. We don't expect to make "hero" status very often, but, we promise to try!

On a visit to a NIAC member a few months ago, one of the managers told me that I was his "hero." Before joining NIAC his nonprofit had struggled with insurance every year, never quite sure how they would fare at renewal. Now, he knows how much to budget for insurance and the renewal process is not a worry. I marveled at his dedication and at how much his organization accomplishes for the community with so few resources. I told him that I was honored to be his hero, but that he and so many others like him, are our inspiration.

When I joined the NIAC board of directors in 1990, NIAC had about 200 members and just over $1 million in annual premiums written. NIAC was just a year old and we faced the typical challenges of a small, growing company. We also had some unusual challenges as a nontraditional insurance mechanism. Eight years later, as I prepare to leave the post of NIAC’s chairman of the board, I can say with confidence that NIAC’s future looks very bright.

Since 1990, NIAC has added more than 1,500 new members. Annual written premiums have increased more than tenfold. Throughout this growth we have adhered to financial fundamentals and have kept the long term goal of insurance independence for nonprofits firmly in mind. We have continued to put service to our members and brokers first and remained firm in our commitment to price stability. Our members have responded to these principles by rewarding us in 1997 with our highest member renewal rate ever.

In our role of trailblazer, NIAC’s early years were not without some disappointment. Our struggles gaining federal tax-exemption and then dealing with a potential reversal at the state level, drained energy and resources. That is behind us now. Also, it took time for NIAC to gain visibility and trust in the marketplace. Nonprofits and their brokers were frustrated with the treatment they were receiving from commercial insurers, but hesitant, at first, to try the NIAC alternative. Now, NIAC is the standard to which other insurers of nonprofits are compared.

As a testament to what NIAC has accomplished in California, the David & Lucile Packard Foundation recently made a grant to NIAC of $150,000 to develop a plan to expand NIAC’s products and services into other states. This is both a timely and appropriate next step for NIAC.

While I will miss having a hand in the future of such a terrific company, I pass the baton with great confidence. I will be watching and cheering the success of your company, if only from the sidelines!

NIAC FEATURED ON PBS DOCUMENTARY

“A moment of glory for the good guys!”
—Stephen Goode, Washington Times about the Visionaries series

NIAC received a special honor in 1997 by being selected from a field of 3,000 applicants to be featured on the Visionaries. This documentary series emphasizes positive images of ordinary people engaged in the process of creating social change. The series, now in its fourth season, airs on PBS stations across the country.

Unlike most of the episodes which feature a nonprofit’s service to members of the community, NIAC was featured because of its service to other nonprofits. The five NIAC members featured in the show were: San Francisco Baykeeper, Women’s Crisis Support, California Grey Bears, Watts Health Systems and Heads Up. These organizations were selected by the Visionaries to show the variety of activities NIAC insures as well as the breadth and depth of nonprofits’ contributions to their communities. We were quite honored to have the NIAC story told with such heart and insight.

VHS copies of the one-half hour documentary may be borrowed from NIAC’s free video lending library.

California Grey Bears of Santa Cruz. A NIAC member since 1989, Grey Bears’ primary operations consist of a recycling program and food delivery program for home-bound members of Santa Cruz County. Pictured above (facing the camera) are Lynn Francis, Grey Bears Executive Director, and Pamela Davis, NIAC President and CEO, who appeared in the documentary.
**The NIAC Story**

At its most basic level, NIAC collects premiums and pays claims. But between the lines we do a lot more. NIAC was created as a response to a crisis. Insurers would not provide insurance to some nonprofits at any price. NIAC was founded on the principal that insurance companies should not determine which social services could be offered simply by controlling which nonprofits could obtain insurance. Those types of decisions should be in the hands of the nonprofit community. And, that is where they are with NIAC. With NIAC, nonprofits have gained control over their insurance source. They have assumed the responsibility and enjoy the freedom that comes with that choice.

NIAC’s eight years of experience have demonstrated that nonprofit organizations have better than average claims experience. Nevertheless, we maintain strong financial backing to cover any contingencies.

Six foundations provided the original capital funding for NIAC. These foundations are:
- Ford Foundation
- David & Lucile Packard Foundation
- Wallace Alexander Gerbode Foundation
- San Francisco Foundation
- Marin Community Foundation
- Walter S. Johnson Foundation

Adding to NIAC’s financial strength is the consistent backing by strong reinsurers who provide coverage for claims in excess of $100,000. The same three reinsurers, which are among the world’s largest, have provided this coverage for NIAC for many years. They are:
- American Re-Insurance
  (Best’s rated A++)
- General Reinsurance
  (Best’s rated A++)
- Swiss Re America
  (Best’s rated A)

**Coverages Available for Members**
- General Liability
- Miscellaneous Professional Liability
- Improper Sexual Conduct Liability
- Auto Liability
- Auto Physical Damage
- Non-owned/Hired Auto Liability
- Liquor Liability
- Employee Benefits Liability
- Directors and Officers Liability
- Umbrella Liability

Through companion programs, NIAC members may also purchase the following:
- Commercial Property
- Fidelity
- Workers’ Compensation
- Student/Participant/Volunteer Accident
- Foster Parent Liability

Friendly, Efficient Service

For most people, purchasing insurance or trying to get a claim paid ranks as low on the fun scale as going to the dentist. At NIAC, we consider it our job to make the insurance transaction as painless as possible for members and brokers. Our members and brokers trust us to investigate claims promptly and to handle them efficiently.

Special Services for Members

We believe it is our obligation to help members keep claims to a minimum. To assist members, NIAC provides the following resources free of charge to members:

Publications
- Arrive Safe and Sound: Tips to Help with your Nonprofit's Vehicle Safety Program
- Sound Advice for Functions and Events: Tips to Help your Nonprofit Stage Safer Special Events
- Nonprofit Directors and Officers: Key Facts about Insurance and Legal Liability

Driver Training
During 1997 we provided driver training to more than 300 employees at member locations.

Newsletters
Three newsletters on risk management topics of interest to nonprofits were distributed to members in 1997.

Video Lending Library
The video collection includes nearly 40 titles available free-of-charge for member in-service trainings. A few of the topics are driver safety, employment practices, and preventing sexual abuse.

Workshops
NIAC staff made many presentations at locations around the state on topics including general insurance information, directors and officers insurance, and how to host safer special events.

Through alliances with the Nonprofit Risk Management Center, the California Association of Nonprofits, the Nonprofit Organizations Committee of the California State Bar, several Community Foundations, and the Support Center for Nonprofit Management, we plan to expand access to risk management training through workshops and booklets as well as information via the Internet.

On-site Visits
NIAC employees made nearly 300 visits to members and brokers in 1997. We need to continue to learn more about nonprofits if we are to evaluate their operations fairly from an insurance perspective.

Website
NIAC maintains a website at www.niac.org. Members may order publications and videos through the website. Check it out for helpful insurance information.
**CLAIMS**

*Why do they happen—what do they cost?*

During its eight years of operation, NIAC has accumulated valuable information on the more than 2,000 claims we have handled for our nonprofit members. We know the type of claims experienced by nonprofits and the cost of settling these claims. Armed with this information, we can develop targeted training programs to help members avoid these accidents.

**SLIP AND FALL**

The charts to the right show that roughly one-third of all claims paid under the general liability policy are slip and falls. There are two basic causes for these claims: structural defects and foreign objects on the floor. Structural causes include inadequate lighting, defective stairs or banisters, uneven flooring, loose carpeting and cracked blacktop. The foreign objects on the floor include hors d’oeuvres, melting ice cubes, and spilled wine to name just a few. Another problem is residue remaining on floors that have been improperly cleaned. Many, if not all, of these claims can be avoided.

**AUTO**

For autos there are two main causes that account for more than one-half of all auto claims: backing and hitting a fixed object. Rear-end collisions cause one out of four claims. NIAC provides free driver training at member locations across the state to raise awareness and improve driving skills.

**DIRECTORS AND OFFICERS**

Though not as frequent as other types of claims, there has been a steep increase in the number of lawsuits against directors and officers alleging wrongful termination, harassment and discrimination. Obtaining proper advice before terminating an employee is essential in these situations. Consequently, all NIAC members who purchase Directors and Officers coverage from NIAC have access to free legal assistance for help prior to employee terminations.

We still have far to go to reduce avoidable claims. But, we have come a long way from where we were only a decade ago. We will continue to do our best to equip members with the information and tools they need to take positive steps to reduce claims and keep costs down.
We are constantly amazed at the dedication, creativity, and entrepreneurship we encounter when we visit our members. Their valuable programs and services supporting youth, the disadvantaged, elderly, and countless others are a testament to the strength of the nonprofit sector in California.

NIAC's membership grew by 12% in 1997, but the general composition of the members remained steady. The statistical depiction of members is shown on the pie chart below. NIAC's nearly 1,700 members are located in every major city and county in California. As a 501(c)(3) nonprofit ourselves, we are proud to be associated with so many terrific agencies providing valuable services to their communities.

Our members tell the whole story. To learn more about the diverse group of nonprofits who comprise NIAC, take a few moments to read the member profiles, enjoy the pictures, and scan the member list on the following pages.

**Trips for Kids, Mill Valley.** A NIAC member since 1996, Trips for Kids promotes the health and environmental benefits associated with bicycle riding to youth. This photo depicts some of the kids on a bike outing on Mt. Tamalpais above the San Francisco Bay.
Senior Access
San Anselmo

"For the last 18 years, my 90 year-old mother has attended Senior Access four days a week. Their highly professional, caring and supportive staff has provided me with a partner for her care. My mother has flourished in their environment, and each day that I leave for work, I know she will be well cared for."

— A letter of support for Senior Access from a thankful Marin resident.

Senior Access has served the residents of Marin County since 1973. Senior Access provides adult day health care and managed care services to the elderly and their families. Their current programs and services continue to support the agency's original mission: to help the elderly maximize their independence and extend the time that they can stay at home and in the community.

A NIAC member since 1996, Senior Access serves more than 400 people a day in its various programs. Programs include three state-licensed adult day care centers, nutritional meals, health monitoring, physical and occupational therapy; exercise, enrichment classes, and socialization for the elderly. The Corte Madera Center was the first, and remains the only Alzheimer's specific center in Marin County. The agency's in-home program also provides home caregiver referrals, in-home case management, and care-plan coordination.

Plumfield Academy
Sebastopol

Plumfield Academy was founded in 1964 as a residential care facility for boys. Children come to Plumfield when they have demonstrated problems in school, with family or in the community, and frequently have experienced abuse, neglect, and separation from their known worlds. Plumfield is committed to providing a safe, highly structured environment where change and growth can occur through the goal of re-integration into the community.

Now serving 24 boys from 6 to 18 years old, Plumfield has four residences and a school in a semi-rural area of Northern California. They use a language based program in which emphasis is placed on social interaction. Combining components of behavioral and psychotherapeutic techniques, Plumfield helps the children to develop effective communication and socialization skills. Their innovative music program, in which the boys perform at parades and community events, has won numerous awards.

A NIAC member since 1994, Plumfield came to NIAC at the recommendation of their broker, Don Allison. According to Darce Drakulich, Plumfield Executive Director, "Don spoke highly of NIAC and we have enjoyed significant premium savings the last four years. Moving our coverage to NIAC has been one of the best cost saving moves our agency has made."
Wildcare: Terwilliger Nature Education and Wildlife Rehabilitation
San Rafael

Wildcare provides medical care for ill, injured, or orphaned wild birds and mammals and learning adventures for children and adults. Nearly 200 volunteers care for over 3,500 wild animals each year. Over 175 different species are treated annually, and are provided with the specialized diet and treatment necessary to give them a second chance at life. Over 75% of Wildcare patients are returned to the wild in a healthy state.

Their interactive environmental education programs are based on those principles pioneered by Mrs. Elizabeth Terwilliger, a world renowned environmental teacher. Wildcare volunteers and staff reach out to nearly 40,000 people a year, and their programs are designed to help children and adults develop a love and respect for nature.

According to Shawn Steele, Membership Director at Wildcare, “NIAC was recommended to us by our insurance agent, Dan Costello. We were having a hard time finding the insurance coverage we needed, and we appreciate NIAC’s awareness of the problems nonprofits face and the prompt way they work to solve them.” Wildcare has been a NIAC member since 1995.

Challengers Boys and Girls Club
Los Angeles

Challengers Boys and Girls Club is dedicated to enriching the lives of young people in Metropolitan Los Angeles. “We try to develop kids to be better...to overcome troubles and offer them hope with an activity, a role model, or enthusiasm,” says founder and President/CEO, Lou Dantzler.

In 1968, Lou noticed many neighborhood kids in need of guidance. He provided rides in the back of his pickup truck, and took kids to local parks to teach them the importance of character, education, and sportsmanship. Shortly thereafter, Challengers opened its doors offering recreational activities and programs dedicated to fostering positive values in youth.

Thirty years later, Challengers’ mission has not changed: to promote the optimum social development of youth 6 to 17 years of age. Their five club sites serve over 3,500 children annually, and their core programs emphasize citizenship and leadership, cultural enrichment, health and physical education, outdoor and environmental education, and social and recreational activities. Challengers has been a NIAC member since 1996.
Dramatic Results is an award-winning educational program whose mission is to reach out to those children who have been labeled “most likely to fail” by the educational system because of behavioral problems. Dramatic Results uses a variety of art forms, such as drawing, theater, storytelling/writing, movement and poetry. These activities help children develop their communication, self-esteem, anger management and academic skills within a context that is meaningful to each child.

Dramatic Results offers both a 12-week self esteem and 22-week violence prevention program. All of their programs are free to children and take place on school campuses. Since 1992, Dramatic Results has served over 5,000 students in the 4th through 6th grades. Dramatic Results gives what it's name promises: 33% of their students show a significant improvement in their school attendance and 75% of the students improve their academic performance by at least one full letter grade.

When asked why they became a NIAC member, Christi Wilkins, Executive Director, stated, “as a small nonprofit, we feel confident knowing we can rely on the expertise and sensitivity of NIAC to take care of our special insurance needs. This leaves us more time and energy to do what we love to do, serve children.” Dramatic Results has been a NIAC member since 1994.

The Arthritis Association Adaptive Aquatics Center was founded in 1981 to provide support and education to those suffering from arthritis. The Center is dedicated to enhancing the wellness, independence, and productivity of Kern County residents by reducing and preventing the physical and emotional limitations and pain caused by disabling conditions.

Their unique building houses an indoor heated pool equipped with handrails, a hydraulic chair lift and wheelchair ramp, spa, exercise room, classroom and shower rooms. Operating six days a week, the Center provides both warm water and “dry” land programs to over 200 people a day ranging in age from infants to seniors. Their popular Tai Chi classes, pictured above, enhance flexibility, circulation and posture for the participants.

When asked why they became a NIAC member, Debbie Oftedal, the Executive Director at the Arthritis Association stated, “We appreciate and feel more secure with an insurance carrier that understands the challenges and heart of the nonprofit sector. NIAC was highly recommended by our broker John Pryor, and we’re pleased we are insured by NIAC.” The Arthritis Association has been a NIAC member since 1995.

INDEPENDENT AUDITORS’ REPORT

We have audited the accompanying consolidated balance sheets of Nonprofits’ Insurance Alliance of California (the Company) as of December 31, 1997 and 1996 and the related consolidated statements of income, members’ equity and cash flows for the years then ended. These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 1997 and 1996 and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Years Ended December 31, 1997 and 1996

1. ORGANIZATION

Nonprofits' Insurance Alliance of California (the Company) was incorporated on September 15, 1988 as a nonassessable nonprofit mutual benefit corporation. In July 1991, the status of the Company was changed by a vote of the members to a public benefit corporation. The Company operates in California as a risk pool pursuant to authorization under Section 5005.1 of the California Corporations Code. The Company is not subject to the rules, regulation and supervision of the California Department of Insurance (DOI).

The consolidated financial statements include the accounts of the Company and its wholly-owned subsidiary, SCC Reinsurance Limited (SCC Re), which was incorporated in December 1996 (see Note 2). All intercompany balances and transactions have been eliminated.

Organizations which meet the following requirements may become members of the Company: (1) nonprofit organizations which are incorporated and operating in the state of California; (2) which have received and maintain current and unrevoked determination of tax exempt status under Section 501(c)(3) of the Internal Revenue Code; (3) which are offered general liability coverages and agree to purchase such coverages; and (4) which pay the premium for such coverages and the required membership contribution. Because the Company is nonassessable, the members of the Company, which are both its owners and insureds, are not liable for the Company's liabilities should they exceed the Company's assets.

The Company provides commercial general liability, miscellaneous professional liability, automobile liability, auto physical damage, and employer's non-owned and hired automobile liability coverage to its members. Coverage is provided on an occurrence basis. Typical limits are an annual aggregate of $1,000,000 and $1,000,000 per occurrence. An annual aggregate of $2,000,000 is available. A special claims-made coverage with limits available up to a $1,000,000 aggregate including defense and indemnity is available for improper conduct claims.

The limit of coverage is $1,000,000. The Company also offers umbrella coverage for general liability policies up to $10 million in excess of $1 million, directors and officers policies up to $5 million in excess of $1 million, and improper conduct policies up to $1 million in excess of $1 million.

The Company receives one-time contributions from each new member in the form of a non-refundable membership contribution, which are recorded as an addition to members' equity. Effective July 1, 1997, the contribution amount decreased to 5% of the commercial general liability premium from the prior rate of 10%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition - Premiums are recognized as earned on a pro rata basis over the terms of the policies, usually twelve months. Unearned premiums represent the difference between premiums written and premiums earned.

Deferred Acquisition Costs - Policy acquisition costs incurred are deferred and amortized over the period of premium recognition. These costs generally include commissions, underwriting, policy issuance and marketing costs. Amortization of acquisition costs was $1,713,089 for 1997 and $1,301,861 for 1996. Anticipated investment income is not considered in determining if a premium deficiency exists.

Property and Equipment - Data processing equipment, purchased software and office furniture and equipment are stated at cost, net of accumulated depreciation, and depreciated over five years using the straight-line method. Upon retirement or disposition of property and equipment, any gain or loss is included in income.

Investments - The Company has classified all of its investment portfolio as "available-for-sale securities." Investments that are classified as "available-for-sale securities" are reported at market value, with unrealized gains and losses excluded from earnings and reported as a separate component of members' equity. Net realized investment gains or losses are recognized based upon the specific identification of investments sold. Gross realized gains and gross realized losses on those sales were $51,609 and $(14,912), respectively, in 1997 and $19,656 and $(57,818), respectively, in 1996. The Company has investments in commercial paper. Although such investments meet the criteria for cash equivalents, the Company has elected to include commercial paper in investments.

Loss and Loss Adjustment Expense Reserves - Loss and loss adjustment expense reserves are estimates based on an expected loss and loss adjustment expense ratio. The expected ratio is based on the Company's historical experience and, for certain lines of business, industry statistics. Industry statistics are used for those lines in which the Company does not have sufficient experience to establish historical and statistical bases for estimating these liabilities. Ultimate losses may differ significantly from the amounts recorded. Changes in estimates of losses are included in income in the period in which the estimates are changed. The Company annually engages an independent actuary to review and analyze its loss data.

Reinsurance - Reinsurance recoverables (including amounts related to claims incurred but not reported and prepaid reinsurance premiums) are reported as assets. Estimated reinsurance recoverables are recognized in a manner consistent with the liabilities relating to the underlying insured contracts.

Income Taxes - The Company was previously granted tax-exempt status by the state of California. Effective January 1, 1997, the Company elected federal tax-exempt status.

In anticipation of becoming a tax-exempt entity, the Company incorporated SCC Re in December 1996. SCC Re is a taxable entity incorporated under the laws of the Island of Nevis, an independent federation in the West Indies.
The Company accounts for income taxes under the asset and liability method of accounting for income taxes. Deferred tax assets and liabilities are recognized for differences between financial statement carrying amounts of assets and liabilities and their respective tax bases and operating loss and tax credit carryforwards.

Recent Accounting Pronouncements - In June 1997, SFAS No. 130, "Reporting Comprehensive Income," was issued. SFAS No. 130 requires that an enterprise report, by major components and as a single total, the change in its net assets during the period from nonowner sources. Adoption of this statement will not impact the Company's financial position, results of operations or cash flows. This statement is effective for fiscal years beginning after December 15, 1997, with earlier application permitted.

3. RESTRICTED INVESTMENTS
The proceeds from the issuance of subordinated debt (see Note 8) and related earned interest are held as restricted investments and may not be commingled with any other funds.

Funds in these restricted accounts may be withdrawn only to fund obligations of the Company to its policyholders and claimants related to all loss and loss adjustment expenses and to make payments for principal and/or interest related to the subordinated debt. Funds in the restricted accounts may not be used for operating expenses of the Company. To date, funds have been used only for interest payments on the subordinated debt. Such interest expense was $26,000 in 1997 and 1996.

Restricted investments, carried in the accompanying balance sheets at estimated market value, consist of the following as of December 31, 1997 and 1996:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amortized Cost</th>
<th>Unrealized Gains</th>
<th>Unrealized Losses</th>
<th>Estimated Market Value</th>
</tr>
</thead>
<tbody>

4. INVESTMENTS
Unrestricted investments, carried in the accompanying balance sheets at estimated market value, consist of the following as of December 31, 1997 and 1996:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amortized Cost</th>
<th>Unrealized Gains</th>
<th>Unrealized Losses</th>
<th>Estimated Market Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>1997:</td>

<td>41,993</td>
<td></td>
<td>85,945</td>
</tr>
<tr>
<td>Mortgage-backed securities</td>
<td>419,269</td>
<td>8,801</td>
<td></td>
<td>428,070</td>
</tr>
<tr>
<td>Other debt securities</td>
<td>2,232,358</td>
<td>15,498</td>
<td></td>
<td>2,247,856</td>
</tr>
<tr>
<td>TOTAL</td>
<td>$16,715,600</td>
<td>$334,765</td>
<td>$0</td>
<td>$17,050,365</td>
</tr>
<tr>
<td>1996:</td>
<td>$9,586,457</td>
<td>$94,156</td>
<td>$0</td>
<td>$9,680,613</td>
</tr>
<tr>
<td>Corporate obligations</td>
<td>249,839</td>
<td>(3,745)</td>
<td></td>
<td>246,094</td>
</tr>
<tr>
<td>Money market account</td>
<td>90,856</td>
<td></td>
<td></td>
<td>90,856</td>
</tr>
<tr>
<td>Mortgage-backed securities</td>
<td>2,542,386</td>
<td>7,372</td>
<td></td>
<td>2,549,758</td>
</tr>
<tr>
<td>Asset-backed securities</td>
<td>464,748</td>
<td>8,673</td>
<td></td>
<td>473,421</td>
</tr>
<tr>
<td>Other debt securities</td>
<td>1,021,464</td>
<td>10,625</td>
<td></td>
<td>1,032,089</td>
</tr>
<tr>
<td>TOTAL</td>
<td>$13,955,750</td>
<td>$120,826</td>
<td>(3,745)</td>
<td>$14,072,831</td>
</tr>
</tbody>
</table>
6. INCOME TAXES
The components of income tax expense are as follows:

<table>
<thead>
<tr>
<th></th>
<th>1997</th>
<th>1996</th>
</tr>
</thead>
<tbody>
<tr>
<td>Current</td>
<td>$ 178,939</td>
<td>$ 477,653</td>
</tr>
<tr>
<td>Deferred</td>
<td>219,160</td>
<td>(174,276)</td>
</tr>
<tr>
<td>TOTAL</td>
<td>$ 398,099</td>
<td>$ 303,377</td>
</tr>
</tbody>
</table>

Total income tax expense differed from the amounts computed by applying the U.S. federal income tax rate of 35% to income before taxes as follows:

<table>
<thead>
<tr>
<th></th>
<th>1997</th>
<th>1996</th>
</tr>
</thead>
<tbody>
<tr>
<td>Computed tax expense at federal statutory rate</td>
<td>$ 407,670</td>
<td>$ 297,949</td>
</tr>
<tr>
<td>Earnings of tax-exempt entity</td>
<td>(131,376)</td>
<td>—</td>
</tr>
<tr>
<td>State tax settlement, net of federal benefit</td>
<td>125,665</td>
<td>—</td>
</tr>
<tr>
<td>Other, net</td>
<td>(3,860)</td>
<td>5,428</td>
</tr>
<tr>
<td>TOTAL</td>
<td>$ 398,099</td>
<td>$ 303,377</td>
</tr>
</tbody>
</table>

In 1997, the Company paid $190,401 to settle a state tax dispute related to prior years. Net of the related federal tax benefit, this resulted in a current-year charge of $125,665.

The following is a summary of the changes in the deferred tax asset:

<table>
<thead>
<tr>
<th></th>
<th>Gross Deferred Tax Asset</th>
<th>Valuation Allowance</th>
<th>Gross Deferred Tax Liability</th>
<th>Net Deferred Tax Asset</th>
</tr>
</thead>
<tbody>
<tr>
<td>Balances at January 1, 1996</td>
<td>$ 818,739</td>
<td>—</td>
<td>(344,104)</td>
<td>$ 474,635</td>
</tr>
<tr>
<td>1996 changes</td>
<td>(141,994)</td>
<td>—</td>
<td>(10,874)</td>
<td>131,120</td>
</tr>
<tr>
<td>Balances at December 31, 1996</td>
<td>960,733</td>
<td>—</td>
<td>(354,978)</td>
<td>605,755</td>
</tr>
<tr>
<td>1997 changes</td>
<td>(312,944)</td>
<td>—</td>
<td>83,107</td>
<td>(230,837)</td>
</tr>
<tr>
<td>Balances at December 31, 1997</td>
<td>$ 646,789</td>
<td>—</td>
<td>$ (271,871)</td>
<td>$ 374,918</td>
</tr>
</tbody>
</table>

The types of temporary differences that primarily comprise the net deferred tax asset at December 31, 1997 and 1996 include loss and loss adjustment expenses, the unearned premium reserve, unrealized gains on debt securities available for sale, state income taxes and deferred acquisition costs.
Management believes that the net deferred tax asset as of December 31, 1997 and 1996 will be recoverable from income taxes paid and from future taxable income of its wholly-owned subsidiary, SCC Re, which is a taxable entity (see Note 2).

7. LOSS AND LOSS ADJUSTMENT EXPENSE RESERVES
Activity in the loss and loss adjustment expense reserves is summarized as follows:

<table>
<thead>
<tr>
<th></th>
<th>1997</th>
<th>1996</th>
</tr>
</thead>
<tbody>
<tr>
<td>Gross loss and loss adjustment expense reserves, January 1</td>
<td>$ 16,960,335</td>
<td>$12,667,029</td>
</tr>
<tr>
<td>Reinsurance recoverables</td>
<td>(7,312,456)</td>
<td>(4,873,781)</td>
</tr>
<tr>
<td>Net loss and loss adjustment expense reserves</td>
<td>9,647,879</td>
<td>7,793,248</td>
</tr>
<tr>
<td>Incurred related to:</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Current year</td>
<td>5,490,964</td>
<td>5,049,730</td>
</tr>
<tr>
<td>Prior years</td>
<td>11,832</td>
<td>22,595</td>
</tr>
<tr>
<td>Total incurred</td>
<td>5,502,796</td>
<td>5,072,325</td>
</tr>
<tr>
<td>Paid related to:</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Current year</td>
<td>1,112,328</td>
<td>691,414</td>
</tr>
<tr>
<td>Prior years</td>
<td>3,383,854</td>
<td>2,526,280</td>
</tr>
<tr>
<td>Total paid</td>
<td>4,496,182</td>
<td>3,217,694</td>
</tr>
<tr>
<td>Net loss and loss adjustment expense reserves, December 31</td>
<td>10,654,493</td>
<td>9,647,879</td>
</tr>
<tr>
<td>Reinsurance recoverables</td>
<td>7,584,120</td>
<td>7,312,456</td>
</tr>
<tr>
<td>Gross loss and loss adjustment expense reserves, December 31</td>
<td>$18,238,613</td>
<td>$16,960,335</td>
</tr>
</tbody>
</table>

As a result of changes in estimates of insured events in prior years, the loss and loss adjustment expense reserves increased by $11,832 and $22,595 in 1997 and 1996, respectively, due to recurring and normal adjustments in anticipated losses and loss related expenses.

8. SUBORDINATED DEBT
In 1989, a total of $1,300,000 was provided by foundations in the form of restricted assets (see Note 3) in the amounts listed below:

<table>
<thead>
<tr>
<th>Foundation</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ford Foundation</td>
<td>$ 500,000</td>
</tr>
<tr>
<td>Wallace Alexander Gerbode Foundation</td>
<td>250,000</td>
</tr>
<tr>
<td>David and Lucile Packard Foundation</td>
<td>250,000</td>
</tr>
<tr>
<td>San Francisco Foundation</td>
<td>100,000</td>
</tr>
<tr>
<td>Marin Community Foundation</td>
<td>100,000</td>
</tr>
<tr>
<td>Walter S. Johnson Foundation</td>
<td>100,000</td>
</tr>
<tr>
<td>Total</td>
<td>$ 1,300,000</td>
</tr>
</tbody>
</table>

The Company pays 2% simple interest per year on these funds. Payment of interest is made in quarterly installments and amounted to $26,000 in 1997 and 1996.

Repayment of the principal was scheduled to begin September 1993; however, several provisions govern the repayment process. Principal amounts are considered to be due and payable only when an independent actuary certifies that to make such repayment would in no way jeopardize the financial stability of the Company. Interest payments may be postponed at any time if Company management determines that paying interest would jeopardize the financial stability of the Company.

In 1997, an independent actuary performed its annual actuarial analysis of the Company's ability to repay the principal. The independent actuary concluded that the Company could repay a portion of the subordinated loans without jeopardizing the ability to meet current liabilities. However, any reduction in earned surplus, defined as the amount by which the Company's assets exceeds the sum of all liabilities (excluding principal and interest obligations related to the subordinated debt), would affect the Company's ability to continue to grow and write new business. Therefore, since the Company is planning to increase its writings, the independent actuary recommended the principal repayments not be made in 1997. Actuarial analyses will continue to be performed annually.

The Company and the foundation leaders developed a revised repayment schedule in 1995 as follows:

<table>
<thead>
<tr>
<th>Date</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>December 31, 1999</td>
<td>$ 240,000</td>
</tr>
<tr>
<td>December 31, 2000</td>
<td>848,000</td>
</tr>
<tr>
<td>December 31, 2001</td>
<td>212,000</td>
</tr>
<tr>
<td>TOTAL</td>
<td>$ 1,300,000</td>
</tr>
</tbody>
</table>

The Company intends to accelerate the proposed schedule if recommended to do so by an independent actuary as a result of the annual actuarial analysis.

Recourse on the subordinated debt is generally limited to earned surplus. If any principal amount of the subordinated debt has been authorized for payment by an independent actuary, but remains unpaid by the Company, such principal bears interest of 10% per annum. However, any principal amount not authorized for repayment by a certified actuary, or due according to the schedule of repayments, continues to bear interest at the rate of 2% per annum.

In case of material misrepresentation or fraud by the Company or its employees, use of the funds for other than their stated purpose or to influence political activities, demand may be made by the foundations for repayment of the subordinated debt out of the assets of the Company other than earned surplus. If it is determined that the Company is intentionally charging inadequate premiums to materially adversely affect the Company's ability to make timely payments of principal and/or interest, the foundations may request appropriate increases in premiums. If the Company and the foundations are unable to agree on appropriate future adjustments to premiums, at their option, the foundations may request repayment of the outstanding principal balance.
9. REINSURANCE
In its normal course of business, the Company reinsures with other companies through contractual agreements. Such agreements serve to limit the Company’s loss on large claims. Risks reinsured would become an expense of the Company in the event the reinsurer is unable to or will not fulfill the obligations assumed under the agreements.

During 1997 and 1996, the Company’s reinsurance was in three layers as follows:

<table>
<thead>
<tr>
<th>Layer</th>
<th>Contract Year</th>
<th>Company Retention</th>
<th>Reinsurance Limits</th>
</tr>
</thead>
<tbody>
<tr>
<td>First Excess</td>
<td>1997</td>
<td>$ 100,000</td>
<td>$ 900,000</td>
</tr>
<tr>
<td>First Excess</td>
<td>1996</td>
<td>$ 100,000</td>
<td>$ 150,000</td>
</tr>
<tr>
<td>Second Excess</td>
<td>1997</td>
<td>$ 1,000,000</td>
<td>$ 1,000,000</td>
</tr>
<tr>
<td>Second Excess</td>
<td>1996</td>
<td>$ 250,000</td>
<td>$ 750,000</td>
</tr>
<tr>
<td>Third Excess</td>
<td>1996</td>
<td>$ 1,000,000</td>
<td>$ 1,000,000</td>
</tr>
<tr>
<td>Umbrella</td>
<td>1996-1997</td>
<td>$ 1,000,000</td>
<td>$ 10,000,000</td>
</tr>
</tbody>
</table>

These limits are on a “per occurrence” basis and “losses” for the purposes of these agreements include indemnity and allocated loss adjustment expenses.

In addition, beginning in 1992, the Company began offering umbrella coverage for general liability. These policies are 100% ceded on a treaty basis. The Company received ceding commission on this business of $207,634 in 1997 and $193,604 in 1996.

The table below reflects the financial statement captions which are stated net of the effects of reinsurance:

<table>
<thead>
<tr>
<th>Reinsurance Ceded</th>
<th>1997</th>
<th>1996</th>
</tr>
</thead>
<tbody>
<tr>
<td>Premiums earned</td>
<td>$ 2,614,877</td>
<td>$ 2,717,456</td>
</tr>
<tr>
<td>Loss and loss adjustment expenses incurred</td>
<td>$ 2,953,365</td>
<td>$ 3,025,540</td>
</tr>
</tbody>
</table>

In 1997, the Company paid a fixed reinsurance premium based on gross premium written, subject to a profit-sharing arrangement which could result in a refund of reinsurance premium as a result of favorable loss experience. As a result of experience to date, no provision has been made for potential profit sharing under this agreement. For the second layer, the Company pays a fixed reinsurance premium based on gross premiums written.

In 1996, for the first layer of reinsurance, the Company paid a preliminary reinsurance premium based on gross premiums written, subject to additional premium in the event of unfavorable loss experience. Considerable judgment is involved in estimating the ultimate premium to be paid under this reinsurance agreement. Based on expected loss experience, the Company has accrued the maximum possible premium. Reinsurance payable at December 31, 1997 and 1996 includes $1,323,244 and $1,285,122, respectively, of additional premiums related to potential adverse loss experience. In the event of favorable loss experience, this premium would result in income to the Company. For the second layer, the Company pays a fixed reinsurance premium based on gross premiums written, subject to a profit-sharing arrangement which could result in a refund of reinsurance premium as a result of favorable loss experience. As a result of experience to date, no provision has been made for potential profit sharing under this agreement. For the third layer, the Company pays a fixed reinsurance premium based on gross premiums written.

During 1993, the Company received a $394,791 refund of reinsurance premiums due to favorable loss experience in prior years and has subsequently received an additional refund of $38,123 in 1997 and repaid to the reinsurer $172,785 and $74,324 in 1996 and 1995, respectively, due to subsequent development. As future development of this loss experience may require additional repayment, the remaining portion of the refund is included as a liability in reinsurance payable.

Reinsurance recoverable includes $3,125,948 (41.2% of total reinsurance recoverable) and $3,081,948 (40.6%) at December 31, 1997 and $3,057,000 (41.8%) and $2,954,000 (40.4%) at December 31, 1996, respectively, due from two reinsurance companies, both of which are rated A or better by A.M. Best.

10. COMMITMENTS
The Company has entered into a noncancelable operating lease for office space through March 1998. The lease has an option to renew for a period of up to five years. The Company has elected to renew the lease for a period of three years, through March 2001.

Minimum payments due under this commitment (net of sublease rents) are as follows:

<table>
<thead>
<tr>
<th>Year Ending December 31</th>
<th>1998</th>
<th>1999</th>
<th>2000</th>
<th>2001</th>
<th>Total minimum lease payments</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>$ 128,174</td>
<td>136,400</td>
<td>140,492</td>
<td>29,448</td>
<td>$ 434,514</td>
</tr>
</tbody>
</table>

Total rent expense for 1997 and 1996 was $81,753 and $113,925, respectively.

11. 401(k) PROFIT SHARING PLAN
The Company sponsors an employee 401(k) Profit Sharing Plan (the Plan). Employer nonmatching contributions were $1,000 per employee for 1997 and 1996. The employer matching contributions were limited to $1,000 per employee during 1997 and 1996. The amounts contributed to the Plan were $38,873 and $41,012 in 1997 and 1996, respectively. Employees qualify for the employer portion of the contribution after one year of service with the Company.
Nonprofits' Insurance Alliance of California (NIAC)

Official Name
Nonprofits' Insurance Alliance of California (NIAC)

Statement of Purpose
To serve 501(c)(3) tax-exempt nonprofit organizations in California by providing a stable source of reasonably priced liability insurance coverages tailored to the specialized needs of the nonprofit sector, and to assist these organizations to develop and implement successful loss control and risk management programs.

Organized
Under Section 5005.1 of the California Corporations Code, we are a member-owned nonprofit public benefit corporation with a board of directors elected by our member nonprofit organizations. NIAC is a 501(c)(3) tax-exempt organization.

Major Coverages
Comprehensive general liability, miscellaneous professional liability, business auto liability, business auto physical damage, non-owned and hired auto liability, improper sexual conduct liability, directors and officers liability and umbrella liability. Other coverages available through companion programs.

Reinsurers
American Re-Insurance (Best's A++)
General Reinsurance (Best's A++)
