**Re: A.M. Best – A (Excellent) Rating Affirmed**

The insurance rating agency A.M. Best has once again affirmed the Financial Strength Rating of A (Excellent) of the members of the Nonprofits Insurance Alliance Group, including the Nonprofits Insurance Alliance of California (NIAC), the Alliance of Nonprofits for Insurance (ANI), and the National Alliance of Nonprofits for Insurance (NANI). This rating confirms the financial strength of the Group, as well as the Group's ability to honor its mission in service to the nonprofit sector.

A.M. Best is no longer required to publish a press release for rating affirmations, as they had issued in prior years, which pertained to a deviation from their former methodology "Rating Members of Insurance Groups". Best's Credit Rating Methodology released October 13, 2017, no longer includes "Rating Members of Insurance Groups" and therefore a deviation from such is no longer applicable. Press releases are published following a rating change, event, comment, etc., but do not follow a rating affirmation.

All companies in the Nonprofits Insurance Alliance Group are 501(c)(3) tax-exempt organizations
