To Our Valued Brokers and Agents:

Welcome to Nonprofits Insurance Alliance®.

As a broker representing nonprofits, you have a unique responsibility. 501(c)(3) organizations support the education, economic stability, artistic development, health and wellness, and animal and environmental stewardship in our communities. At a time when commercial insurers are unable or unwilling to provide the coverages nonprofits need to operate, you have chosen to marshal your resources and talent to support the work of charitable organizations by connecting them to the best insurer possible. In a hardening market, you’ve chosen the difficult work of finding the right insurance for your nonprofit clients, so that they can continue to feed, clothe, and shelter—as well as inspire, enlighten, and empower—the most vulnerable populations of our communities.

Your unique responsibility is accompanied by unique challenges. NIA has created this package to help you place your clients with an insurer who understands nonprofit risks, provides fair and equitable pricing, and has a vested interest in helping you achieve your organizational goals. After all, with high ideals for yourselves, it’s only reasonable that your standards for your partners are equally high.

When insurers under the NIA brand formed 30+ years ago, we were successful due in no small part to the dedicated work of small, independent brokers who believed in our potential, loved the work of their clients—and loved working with us!

Now, through the realization of our mission, we’ve also earned the confidence and trust of midsized and large agencies. These tools are a result of cultivating long respected and appreciated relationships with brokers like you.

- In Working with Us, you’ll find everything you need to conduct business with us smoothly and efficiently.

NIA is the nation’s leading insurer exclusively serving the nonprofit sector. We insure 25,000+ nonprofits, and our retention rate averages 95%. We are the insurer of choice for nonprofits due to our financial strength, member services, and enduring commitment to the 501(c)(3) sector.

All insurers in the NIA group brand are 501(c)(3) nonprofits with an AM Best Rating of A IX (Excellent), so you can rest assured you are working with a well-regarded insurer. For over three decades, we’ve been in the business of ensuring the success of nonprofits and brokerages. We look forward to continuing that legacy with you.

Sincerely,
