Coverage in Action

A student attends a school the nonprofit operates and is injured when he accidentally runs into a volleyball pole during a school-sponsored game. Coverage for the medical expenses incurred as a result of the accident is excluded under the school's General Liability policy. The Accident Policy pays up to the maximum allowable for the student's covered accident medical expenses.

The insurance policy, not this brochure, forms the contract between the insured and the insurance carrier. The policy may contain limits, exclusions, and limitations that are not disclosed in this brochure. Coverages may differ by state.
